

The Four Villages
Community Health Centre
Working Together for Whole Health

Locum MD
14 hours per week
Required immediately to December 31, 2021

The Four Villages Community Health Centre is a community based primary health organization. It provides a mix of medical, nursing, social work, community health, community development, early childhood development, youth support and other services to a diverse community with complex health and social issues in west end Toronto.

We are looking for a physician to join the current complement of 5 MDs and work within a fabulous interdisciplinary team with nurses and nurse practitioners. This urban practice is clinically challenging, has admin support and at the same time provides work/life balance. It is an ideal opportunity to work and learn with the support of strong, experienced clinicians.

To learn more about this opportunity, please contact:

Andrea Tsuji
Interim Clinical Director, The Four Villages CHC
T: 416.604.6445

We thank all the applicants for their interest and advise that only those selected for an interview will be contacted. The Four Villages Community Health Centre is committed to fostering diversity within our organization. We encourage resumes from all persons within the diverse communities we serve.

In addition, if you have any requirements for accommodation, please advise Human Resources. We will work with you to meet your needs as per resources available to us.
