Please note:

- Programs are offered at various locations and times throughout the year.
- Some programs may be available infrequently based on demand.
- Some programs are offered off-site.
- Please call the contact person indicated for additional program information.

BACK TO MOVEMENT: This 7 week physiotherapy led exercise program is targeting clients who have chronic low back pain and are not physically active. The goals of the program are to improve function and quality of life, reduce pain and recurrence of low back pain. The program consists of a weekly 1 hour 'yoga' based group exercise program. Ideally participants should be independent with transferring from standing to the floor. For more information contact **Mark at 416-604-6438, Elizabeth at 416-855-1055 or Adilah at 416-855-1060.**

FAMILIES GET TOGETHER: This 8 week program promotes healthy weights and healthy living for parents and children 8-10 years old. The program includes information on nutrition, body image, self-esteem, and physical activity. Each session has a one hour exercise component facilitated by a trained instructor. For more information contact **Krystyna at 416-855-1058.**

HEALTHY BODIES: This 6 week program is for adults ages 25 to 55 who are looking for options beyond crash diets. Activities include fitness sessions, menu planning, nutrition label reading, and stress management. For more information contact **Cindy at 416- 855-1044.**
